Ann Arbor EMBA Cohort 28

Post-9/11 Costs for the 2022-2023 Academic Year

(Entered EMBA Program Fall 2021)

NON-ACADEMIC COST

EMBA students pay the same *tuition* payment (based on their cohort group) each of their 5 terms of enrollment at Ross. This EMBA *tuition* structure includes tuition, mandatory fees, lodging/residency cost, course materials, plus built-in program costs.

The Post-9/11 Education Benefits program, however, **does not** cover fees for lodging, travel, books and materials, and miscellaneous expenses. ***Therefore, a portion of the EMBA tuition is not covered by Post-9/11 payments***. Ross refers to these expenses as the non-academic costs of the program.

IN-STATE RESIDENT STATUS

The University of Michigan offers in-state residency to all who serve. You are required to apply for this status through our Residency Office.

Based on the above, the EMBA term program cost plus the $166.19 mandatory fees will break down as follows for veterans with 100% eligibility rating under the Post 9/11 GI Bill:

Cohort 28 – Ann Arbor
Program cost per term: Fall 2022 and Winter 2023

Program Cost Plus Mandatory Fees	$33,866.19
VA Payment	$29,197.19
Remaining Non-academic Costs: Student Responsibility	**$4,669.00**

EMBA program charges will continue to be reflected on your student account as $33,866.19 each term. Your Post 9/11 payment credit will be listed on your student account at $29,197.19. You should plan to pay **$4,669.00** each term for the 2022-2023 Academic Year.

HOUSING

The VA has classified the EMBA program as a hybrid program, so it is certified as "in-resident" training. Therefore, depending on your eligibility percentage under the Post 9/11 GI Bill, you may receive housing allowance. . Please note: Active duty service members are not eligible for the monthly housing allowance. The housing allowance will be at the Ann Arbor rate. It is prorated for the number of days you are in-class each month. We hope the monthly housing allowance and the book and supply stipend will assist you in meeting your non-academic costs.
