

MSCM Checklist (Summer 2017 and later)

This MSCM checklist is for course planning purposes only and does not replace a degree audit or transcript. Your degree audit and unofficial transcript can be found in Wolverine Access under Student Business. We strongly encourage you to meet with your Ross Academic Advisor to verify progress toward degree requirements. Credit hours are calculated using formulas. Enter "X" (complete), "IP" (In Progress), or "WV" (Waived) in each checkbox. If course is waived, 0 credits are earned, and student should elect another elective.
